Industry Distribution: MIL-S-13949H Qualified Manufacturers

SUBJECT: Preparation for Cancellation of MIL-S-13949H, all Associated Specification Sheets, the Associated Qualification Program, and QPL-13949

As noted in the enclosed memorandum from DSCC-VA, MIL-S-13949H, all associated specification sheets, the associated qualification program, and QPL-13949 are scheduled for cancellation on November 30, 1998. This cancellation will affect QPL-13949 manufacturers as follows:

- a. QPL-13949 will be cancelled and all qualification listings will expire on December 1, 1998.
- b. After November 30, 1998, manufacturers will no longer be able to mark or certify laminates and preregs as being compliant with MIL-S-13949.
- c. After November 30, 1998, manufacturers will no longer be able to advertise that they are a QPL-13949 qualified manufacturer or that they can provide MIL-S-13949 compliant product.
- d. Manufacturers which have supplied MIL-S-13949 product in 1998 are required to submit groups A, B, and C testing results, in the standard reporting format, to DSCC-VQE, for the production period starting from the end of their last annual reporting period through November 30, 1998. Manufacturers will be given 60 days (to January 29, 1999) to complete and submit the report to DSCC.

Direct any questions or comments to Mr. Lowell Sherman, DSCC-VQE, at 614-692-0627. Thank you for your past support of the MIL-S-13949 program.

Sincerely,

JOHN F. RAYE
Chief,
Electronic Devices Team

MEMORANDUM FOR MILITARY/INDUSTRY DISTRIBUTION

SUBJECT: Cancellation of MIL-S-13949, General Specification for Printed Wiring Board Sheets, all Associated Specification Sheets, the Associated Qualification Program, and QPL-13949

MIL-S-13949, all associated specification sheets, the associated qualification program, and QPL-13949 are scheduled to be canceled November 30, 1998. This is advanced notice to the military and industry so they may prepare for this cancellation. Manufacturers who supply printed wiring boards on Government/military contracts where MIL-S-13949 compliant product is specified should contact their affected customers to discuss documentation, contractual and/or any other technical issues which may need to be addressed upon cancellation.

For those that wish to respond to this cancellation, please send questions or comments to Monica Poelking, DSCC-VAC, at the address above, or email: Monica_Poelking@dsc.dla.mil or phone at 614-692-0674, DSN 850-0674.
